## SAGE TEA BEAUTIFIES AND DARKENS HAIR

Don't Stay Gray! It Darkens So Nat-  
urally That Nobody Can  
Tell.

You can turn gray, faded hair beau-  
tifully dark and lustrous almost over-  
night if you'll get a bottle of "Wyeth's  
Sage and Sulphur Compound" at any  
drug store. Millions of bottles of this  
old famous Sage Tea Recipe, improved  
by the addition of other ingredients, are  
sold annually, says a well-known drug-  
gist here, because it darkens the hair so  
naturally and evenly that no one can  
tell it has been applied.

Those whose hair is turning gray or  
becoming faded have a surprise awaiting  
them, because after one or two applica-  
tions the gray hair vanishes and your  
locks become luxuriantly dark and beau-  
tiful.

This is the age of youth. Gray-haired,  
unattractive folks aren't wanted around,  
so get busy with Wyeth's Sage and Sul-  
phur Compound to-night and you'll be  
delighted with your dark, handsome hair  
and your youthful appearance within a  
few days.—Adv.

## DRUGGISTS! VICK'S VAPORUB SHORTAGE OVERCOME AT LAST

The Deal Scheduled for Last No-  
vember, Which Was Postponed  
on Account of the Influenza  
Epidemic, Is Now Reinstated  
—Good During the Month of  
March.

OVER ONE MILLION JARS  
OF VAPORUB PRODUCED  
EACH WEEK

It is with pride that we announce to  
the drug trade that the shortage of  
Vick's Vaporub, which has lasted since  
last October, is now overcome. Since  
January 1st, we have been running our  
laboratory twenty-three and a half hours  
out of every twenty-four. Last week we  
shipped the last of our back orders, and  
retail druggists, therefore, are no longer  
requested to order in small quantities only.

## NOVEMBER DEAL REINSTATED.

This deal, which we had expected to  
put on last November and which had to  
be postponed on account of the shortage  
of Vaporub, is reinstated for the month  
of March. This allows a discount of 10  
per cent on shipments from jobbers' stock  
of quantities of from one to four  
gross. Five per cent of this discount is  
allowed by the jobber and five per cent  
by us.

We advise the retail druggists to place  
their orders immediately, so that the  
jobbers will be able to get prompt ship-  
ments to them.

## THANKS OF THE PUBLIC DUE THE DRUG TRADE DURING THE INFLUENZA EPIDEMIC.

The thanks of the American public are  
certainly due the entire drug trade—re-  
tail, wholesale and manufacturing—for  
what they accomplished during the recent  
influenza epidemic. The war caused  
a shortage of physicians—nurses were  
almost impossible to obtain—the demand  
on the drug trade was unexpected and  
overwhelming, and to this demand they  
responded nobly. Retail druggists kept  
open day and night and slept where they  
dropped behind the prescription counter.  
Wholesale druggists called their salesmen  
off the road to help fill orders—

hundreds wired us to ship Vick's Vapo-  
rub by the quickest route, regardless of  
expense.

## A TREMENDOUS JOB TO INCREASE OUR PRODUCTION.

In this emergency we have tried to do  
our part. We secured the country for  
raw materials—our traffic manager spent  
his days riding freight cars in—we  
shipped raw materials in carload lots by  
express and pleaded with manufacturers to  
increase their deliveries to us.

But it was a slow process. Some of  
our raw materials are produced only in  
Japan—supplies in this country were low  
and shipments required three months to  
come from the Far East. Then we had  
to recruit and train skilled labor.

## REPUBLICANS PICK LEADERS

Who Shall Control Their  
Dominating Actions  
in the House

LONGWORTH MAY  
BE FLOOR LEADER

Although Moore of Penn-  
sylvania Has Consid-  
erable Backing

Washington, D. C., March 5.—Organi-  
zation of the next House of Representa-  
tives, involving selection of a floor lead-  
er, was considered to-day by the Repub-  
lican committee on committees at its  
first meeting since its creation at the  
party conference last week. The work  
of the committee probably will not be  
completed before the end of the week.

After the conference last Thursday  
night, several Republican representa-  
tives expressed the belief that Represen-  
tative James R. Mann of Illinois, al-  
though defeated in the contest for the  
speakership by Representative Frederick  
H. Gillett of Massachusetts, had suc-  
ceeded in obtaining a majority of the  
committee. The Mann members of the  
committee are expected to support Rep-  
resentative Moore of Pennsylvania for  
floor leader, while Representative Long-  
worth of Ohio probably will have the  
backing of the Gillett forces.

## CHAMPION PETE HERMAN WAS MUCH OUTPOINTED

Jack Wolfe of Cleveland Battered the  
World's Bantam Weight Boxer in  
Seven Out of Ten Rounds.

Cleveland, O., March 5.—Jack Wolfe  
of Cleveland easily outpointed Pete Her-  
man of New Orleans, world's champion  
bantam weight boxer, in a ten-round  
contest here last night, according to the  
decision awarded by newspaper critics.  
Wolfe was the aggressor throughout and  
made the better showing in seven rounds.  
Two that were given to Herman went  
by slight shades, while one round was  
even.

## MIKE GIBBONS WON.

Outpointed Bartfield in Every Round Ex-  
cept the Tenth and Last.

St. Paul, Minn., March 5.—Mike Gib-  
bons of St. Paul, middleweight, beat  
Soldier Bartfield of Brooklyn, nine  
rounds out of ten here last night. Bart-  
field had the better of the final round,  
but the fight was Gibbons'.  
In the tenth Bartfield rocked Gibbons  
with a backhand swing and brought the  
blood.

## STILL UNDEFEATED.

McAndless Leads for Amateur Billiard  
Championship.

Chicago, March 5.—David McAndless  
of Chicago led to-day in the national  
amateur billiard tournament, with  
four victories and no defeats, having  
won last night from H. C. Allison,  
Detroit, 300 to 213.

The program to-day calls for games  
between P. P. Trump, Pittsburg, and  
Robert M. Lord, Chicago; and Percy N.  
Collins, Chicago, and Lord Trump has  
not yet won a game.
